Subject: "CRABBE" Reports

1. Attached are 9 unnumbered reports from source "Crabbe", which are forwarded to your Office for processing and dissemination. It is the decision of the Chief SI-MEDTO and of the undersigned that this and future material from the same source should be handled by the Rome Office, first because familiarity with sub-sources will prevent possible false confirmation, and second, because most of the material treats of Italian or Vatican affairs.

2. As an exception to the above rule, one "Crabbe" report has been retained here for dissemination, because it bore directly on a cabled inquiry received by this Office. Copies of this report will be forwarded to Rome at the earliest opportunity.
